

CAPABILITIES STATEMENT

ABOUT US

The Cybrix Group, Inc. (Cybrix) is a team of veterans working together to enhance our nation's security through technical innovation. We have a proud history of collaborating with the most impactful defense organizations to provide tailored solutions that reinforce our military service members.

The Cybrix mission is to build technology and manage efforts with the military operator in mind. We execute this by providing technical innovation, strategic operations, and trained personnel to government agencies.
